1810

Sir. Henry Nathan the Great
(1780~1860)

- Majored in Architecture
- Known as one of the early Pioneers

History of the Company

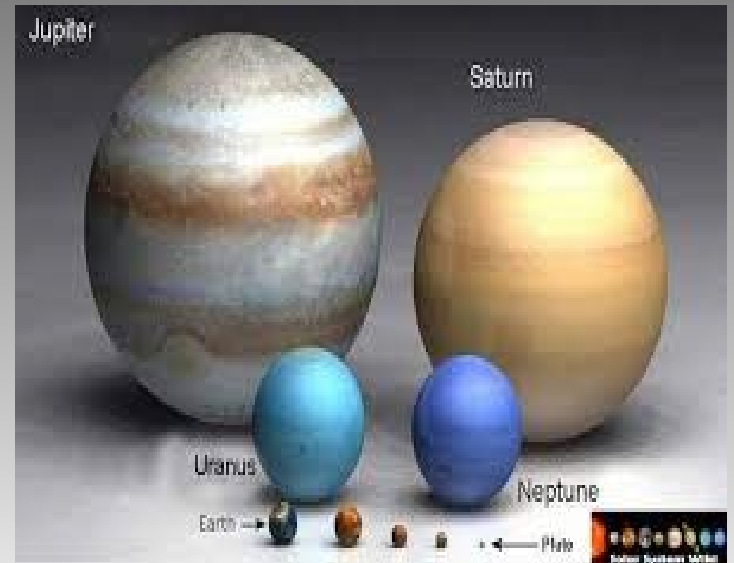

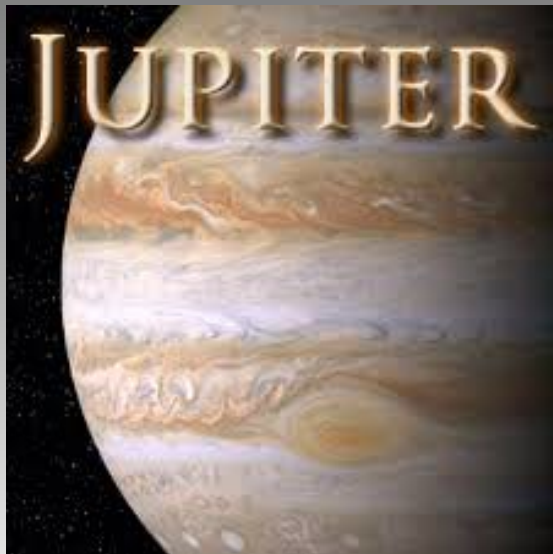

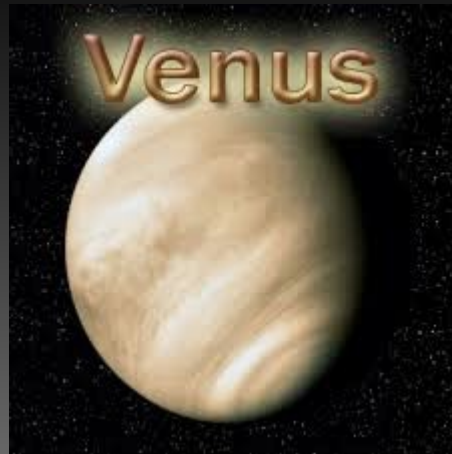

Go West!!

What the Company does

A large, reddish-orange sphere representing Mars, showing surface details like craters and polar ice caps. The word "MARS" is written across the center in a bold, stylized font. The letters "M", "A", and "R" are black, while the "S" is a metallic, 3D orange-red. The background is solid black.

MARS

Purpose of MARS FRONTIER
